AMBER HARRISON JENNINGS

July 6th, 2020

Mrs. Meredith Guns
Planning Director
Town of Kill Devil Hills
P.O. Box 1719
Kill Devil Hills, NC 27948

Dear Mrs. Guns:

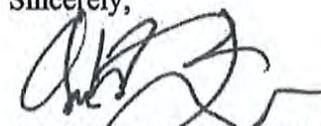

I, Amber Harrison Jennings, would like to request that 808A Eighth Avenue, Nature's Walk subdivision, be removed from a workforce housing designation as the same is defined within the Kill Devil Hills Town Code as a "Workforce Housing Unit". Upon your approval, Unit 808A will become a market rate unit. Attached is the plat identifying Unit 808A within the Nature's Walk Subdivision.

The removal has been met with the approval of the CDC responsible for facilitating our subject request based on the Covenants, Conditions, and Restrictions pertinent to Nature's Walk. All provisions of those restrictions pertaining to the providing of an "Intent to Sell" notice to the CDC have been met.

My attorney has also been instructed to prepare an amendment to the recorded restrictions for Nature's Walk, which amendment will act to remove Unit 808A from the workforce housing encumbrance of said restrictions once the same is recorded with the Dare County Public Registry. My attorney will ensure that all owners of units within Nature's Walk sign this amendment prior to recording.

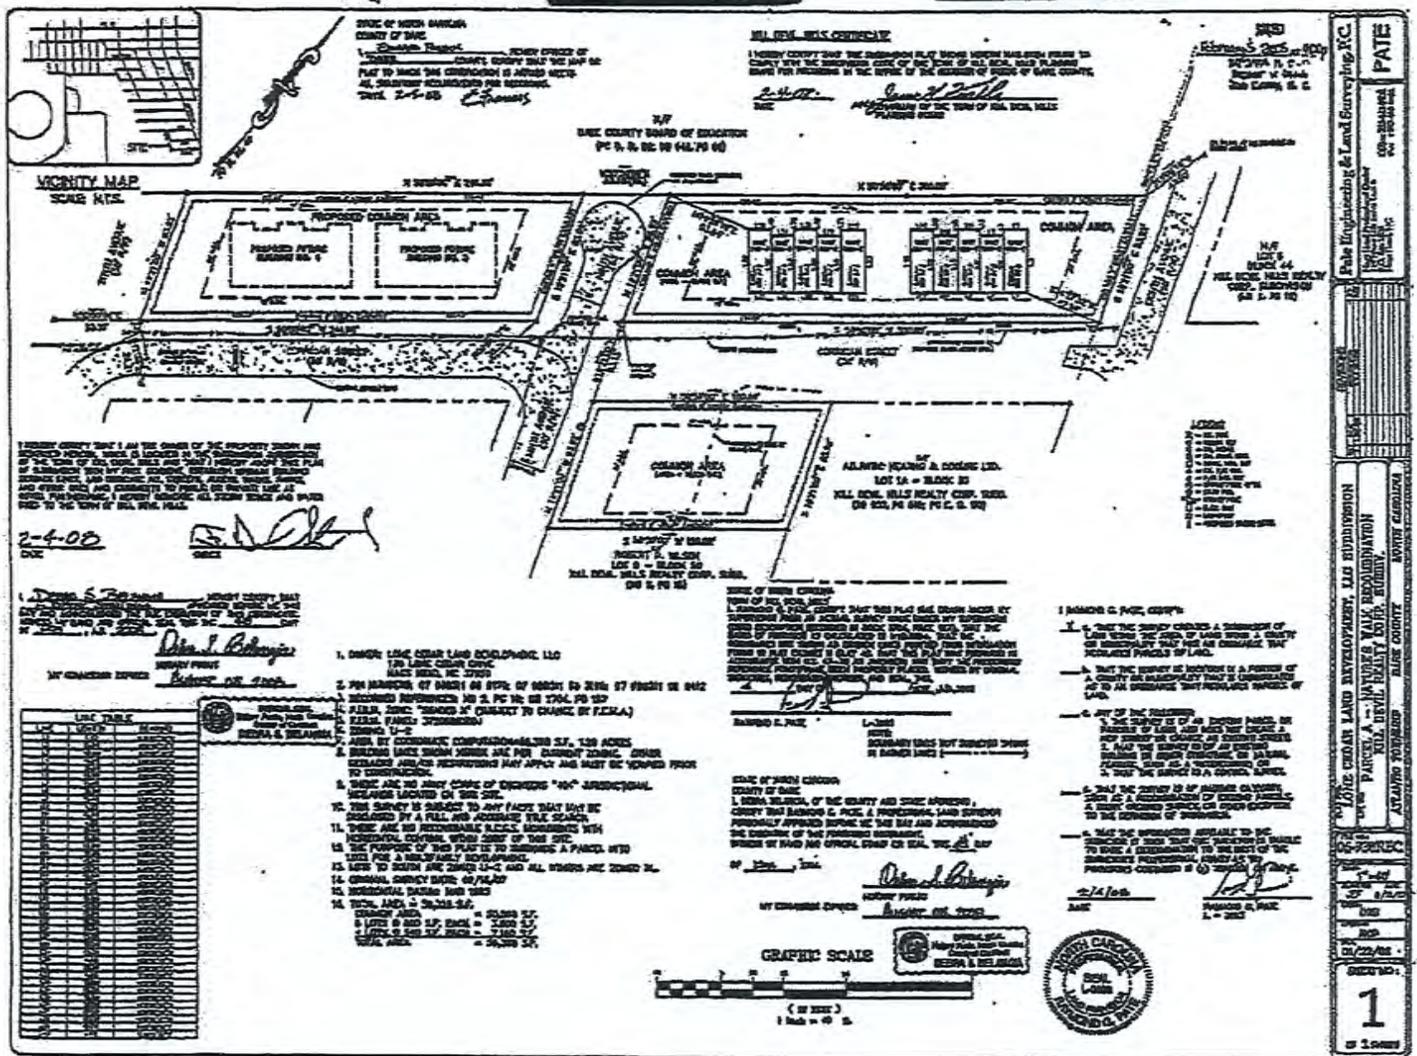

Thank you very much for your assistance and please let me know if you need anything further from me.

Sincerely,

Amber Harrison Jennings

RE: Bruce & Faith Besemer – 808A Eight Street – Kill Devil Hills, NC 27948

Mr. Ray:

As has been the practice, since my retirement, I have been directly involved in the “relaxation of the designation” of the units on Eight Street. At first Blessing Ministries CDC was involved but went out of business. At that point River City CDC accepted the responsibility in that I was consulting with them and could “handle” the effort. I moved on from River City in 2017 and they will no longer provide that service.

I incorporated “New Era Industries” intending to assist municipalities and CDC organizations with needed professional services. As President, I am willing to continue to serve Kill Devil Hills regarding this particular effort.

Therefore:

- In the absence of the Outer Banks CDC, Blessing Ministries and the River City CDC, New Era Industries agrees to accept responsibility for implementation of the workforce housing ordinance for the Town of Kill Devil Hills.
- Given that, New Era has no interest at the present time in acquiring the mentioned property.

If we as a company, or I may be of further assistance please feel free to contact me.

Sincerely,

Charles D. Poe, President
