## 2. **Trash Attack! poster awards and recognitions**

Sandie Markland, 2018 Trash Attack!, has confirmed that she will attend this meeting to present this year's Trash Attack! poster awards. There were 25 entries for this year's poster contest, and the theme was Earth Day. The Town uses the submitted artwork in a variety of ways to remind people to keep Kill Devil Hills litter free, including refuse collection truck vinyl panels, signs for our recreation areas and facilities, and on social media.

This year's Trash Attack! community clean-up event was held Saturday, April 21, at 1634 North Croatan Highway and more than 100 volunteers and Town staff participated. Our Public Services Department estimates that over 21 cubic yards of trash, along with three tons of bulk items, were collected as a result of Trash Attack!
