COLLEGE OF THE ALBEMARLE
DARE CAMPUS

“COA is our community college! The college is here to help each of our Dare citizens fulfill their aspirations, hopes, and dreams. At COA, we are transforming lives, transforming tomorrow’s workforce, and transforming our county, region, and state by fostering success for each of our students in the Dual-Enrollment Career and Technical Education Programs of Study.”

Tonight, we are excited to share with you numerous programs available to our Dare Community. Enjoy!

HVAC MAINTENANCE

Salary Mediums

\$35,520 - \$62,501

"...We can use graduates from the HVAC program in our maintenance dept. to start and once up to speed promote them into the service department.

If they prefer we can start them off in the production department.

We have a plan in place that allows our tenured service techs to make upwards of \$80,000 per year.

Starting pay for a two year graduate is usually \$15.00 – \$16.00 an hour plus benefits depending on their actual abilities...."
