NORTH CAROLINA
Environmental Quality

October 20, 2020

Meredith Guns
Planning Director
Town of Kill Devil Hills
P.O. Box 1719
Kill Devil Hills, NC 27948

Dear Mrs. Guns:

The Division of Water Resources (DWR) of the North Carolina Department of Environmental Quality (NCDEQ) is pleased to announce that \$1,450,921.35 in financial assistance for the Town of Kill Devil Hills Shore Protection Project has been tentatively approved by the State of North Carolina. The award is pending the successful execution of a grant contract between the State and your municipality.

These funds are to be "used for costs associated with beach nourishment, artificial dunes, and other projects to mitigate or remediate coastal storm damage to the ocean beaches and dune systems of the State," (§ 143-215.73M) as submitted for Town of Kill Devil Hills Shore Protection Project. If a project receives State funds and subsequently receives federal funds as a full reimbursement for the project, the Grantee must return any State funds that have become federally reimbursable to the Office of State Budget and Management within 90 calendar days of the costs becoming federally reimbursable.

The Department of Environmental Quality, Division of Water Resources will be contacting you concerning the grant contract and the administrative requirements for the reimbursement of work completed. Again, we thank you for the application and please contact Kevin Hart at Kevin.Hart@ncdenr.gov if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Hart".

Kevin Hart
Coastal Infrastructure Program Manager
