

TOWN OF KILL DEVIL HILLS
Land Where Flight Began

MEMORANDUM

January 27, 2021

TO: Mayor and Board of Commissioners
FROM: Ben Sproul, Mayor
REF: Mayor's Agenda

1. Fireworks event 2021

Following a successful, but postponed, fireworks event on December 17, 2020, that celebrated the anniversary of powered flight by the Wright Brothers, it is time to consider possibilities for 2021. Staff has requested a quotation from the fireworks vendor, and it will be forwarded to the Board when received.

I encourage the Board of Commissioners to consider options and to give Staff direction, as the deadline to submit a grant application with the Dare County Tourism Bureau by February 15.
