## 2. **Appointments**

### **A. Street Improvement and Special Projects Committee**

With the retirement of longtime member Jerry Froehlich, a regular member position for the Street Improvement and Special Projects Committee (SISPC) has become available. SISPC terms have no expiration. If the Board chooses to appoint a current alternate member to this regular position, it may also choose to appoint an applicant to fill the SISPC alternate member position. This may be accomplished by individual motions or one inclusive motion.

All applications on file from persons interested in serving have previously been copied to the Board of Commissioners and no new applications for those purposes have been received.

A motion or motions are in order.
