MEMORANDUM

October 11, 2021

TO: Mayor and Board of Commissioners

FROM: Debora P. Díaz, Town Manager

REF: Public Forum

**1. Public Forum**

The Board of Commissioners encourages public input as it considers issues that may directly impact the Town of Kill Devil Hills and its residents, property owners, and visitors. As a part of that commitment, the Board established two public forums annually to hear about issues important to our citizens.

Citizens were invited to attend this public forum and also given the opportunity to request specific items to be included with this agenda item. Any submitted public forum topics will be provided to the Board for consideration and discussion.
