Debora P. Diaz, Town Manager
Benjamin A. Sproul, Mayor, and
Board of Commissioners
Town of Kill Devil Hills
P. O. Box 1719
Kill Devil Hills, NC 27948

Reference: 20021 "G"- **Water System Master Plan / System Development Fees**

Honorable Mayor, Commissioners and Manager:

You have already been provided an original and a corrected version of our eight-page report on the System Development Fees (SDF's). The original report, which contained some discrepancies, was published. We subsequently issued a corrected report.

I'm writing this brief note to explain to you, and to any reader of the reports, what the changes were. On page 8, we presented a table of **Recommended** SDH's by meter size. On the left, below, is the original table (with the erroneous values in red) and **on the right is the corrected table**. The corrected version's fee amounts exactly match those presented in the Water System Master Plan report which we presented to the Board.

| Recommended | |
|-------------|----------|
| Meter Size | IHF |
| 5/8 inch | \$6,000 |
| 1 inch | \$10,350 |
| 1½ inch | \$15,750 |
| 2 inch | \$20,850 |
| 3 inch | \$30,450 |
| 4 inch | \$41,400 |
| 6 inch | \$68,700 |

| Recommended | |
|-------------|----------|
| Meter Size | SDF |
| 5/8 inch | \$6,000 |
| 1 inch | \$10,400 |
| 1½ inch | \$15,800 |
| 2 inch | \$20,900 |
| 3 inch | \$30,500 |
| 4 inch | \$41,400 |
| 6 inch | \$62,700 |

The first four issues were just rounding differences; the \$68,700 vs. \$62,700 was a typographical error. We apologize for any confusion created.

Sincerely,

American Engineering Associates - Southeast, PA

Walton P. Burkhimer, Jr., P.E.
