Re: Annual Certification of Firefighters

In 1980, the Board of Trustees for the North Carolina Firemen's Pension Fund established a requirement for state fire departments to annually submit a roster of active firefighters. The roster must be certified by each local governing board in order to maintain eligibility for pensions and the line of duty death benefit provided by the state for firefighters. Attached you will find the certified roster for calendar year ending 2022.

ANNUAL CERTIFICATION OF FIREFIGHTERS

This form MUST be filled out and sent in for your Roster Renewal to be complete

North Carolina General Statute 58-86-25 requires that all certified fire departments submit a complete roster of its eligible firemen annually. **This certified list determines eligibility for the \$50,000 line-of-duty death benefit as well as eligibility for Pension Fund credit. Failure to accurately and promptly report this information is violation of G.S. 58-86-25 and will automatically result in a loss or reduction of benefits.**
