Re: Request to advertise "Found/Unclaimed Property"

Mr. O'Dell,

The Kill Devil Hills Police Department has property that was seized in a felony investigation back in 2020. I have spoken with the Assistant District Attorney of the First Judicial District, J. Bland, concerning disposing of these items. ADA Bland has requested I advertise the property as "unclaimed/found property" for thirty days, or according to law.

After the thirty day publication, ADA Bland will submit a court order request through the District or Superior Court Judge to have the items sold. Once I receive notice from the court system releasing these items to the Police Department, I recommend the sale of these items per North Carolina General Statutes 15-12(a) and 15-12(B).

I have provided the Office of the Town Clerk a list of items and corresponding photographs.

Any questions concerning the property should be directed to me.

Respectfully

Detective M. Sudduth
