## Neighborhood Crime Blotter for 3rd Quarter 2025

"COMMUNITY IMPROVEMENT THROUGH COMMUNITY INVOLVEMENT"

### Arrests

*All suspects are presumed innocent until proven guilty in a court of law.*

**Kendra Shanice White**, 35, and **Tyquris Jacqua Cofield**, 33, both residents of Pasquotank County, have been charged with Felony Breaking and Entering of Motor Vehicles, as well as Larceny, in connection with thefts from vehicles parked at beach access locations.

**Zachary Barksdale**, 37, and **Sabrin Ismail**, 27, both of Kill Devil Hills, have been charged with Misdemeanor Breaking and Entering and Injury to Real Property. These charges stem from an incident involving unauthorized entry and damage to a town park.

### Crimes Under Investigation

(Tips can be reported to Kill Devil Hills PD or Crime Line)

**Breaking and Entering of Motor Vehicles:** Over the past several months, there has been a series of vehicle break-ins reported throughout the town, with several incidents occurring in the vicinity of Run Hill and the Somerset Apartments. Residents are encouraged to remain vigilant and report any suspicious activity immediately to Dare Central Communications at 252-473-3444, so that an officer can be dispatched promptly.

**Fraud:** Several reports have been received from Uber drivers involving a fraudulent scheme. In these cases, drivers are notified of a ride request, but upon arrival at the given location, no passenger is present. Shortly afterward, the driver receives a phone call from someone falsely claiming to be a representative of Uber who alleges a customer complaint or offers reimbursement for a lost fare, then requests the driver's payment account information. Once provided, the funds in the account are fraudulently withdrawn. Uber and other rideshare drivers are strongly advised to exercise caution and refrain from sharing account numbers or sensitive information with anyone over the phone. If in doubt, contact the rideshare company directly through official channels.

### Announcements

As is often the case, the Kill Devil Hills Police Department has received multiple reports involving scams, as well as incidents where unlocked vehicles were unlawfully entered and personal property was stolen. We urge residents and visitors alike to remain vigilant and exercise caution when dealing with individuals claiming to represent law enforcement and demand payment over the phone. Legitimate law enforcement will never do this. Also, requests for payment via gift cards from anyone are a common indicator of fraudulent activity and should be treated as a serious red flag. **To help safeguard your property, we encourage everyone to take preventative measures—secure your vehicles by locking them and avoid leaving valuables inside.**
